Customers can expect to customize their own treats with fresh fruit and an array of popular toppings, such as tapioca pearls, to create their special boba.

This cozy café aims to create a safe and inviting space to replicate the comforting feeling of home while emphasizing their transparency and honesty in using the finest ingredients to produce high-quality delicacies. We guarantee that each sip and bite will consistently be enjoyable and memorable.

We use glass jars and stainless steel straws when serving our drinks to the customers sitting in the café. We also utilize eco-friendly plastic cups and compostable sugarcane fiber straws when giving refreshments to those on the go. Boba Home supplies reusable cups and straws for take-out that may be used several times if washed properly.

This comforting boba shop appeals to individuals who miss the warmth of their home and crave the rich taste of sweet delectables. Boba Home is a “home” to all, and our main priority is to serve first-time and returning customers with the utmost respect and kindness along with warm welcomes and delicious treats.
